

Raised in Munich, Germany, Hans earned his Degree at the Brannenburg College, Brannenburg, Germany. Since launching ORBIS Property Management Services in 1982, Hans has expanded and diversified the industrial / commercial portfolio mix over the southwestern Ontario region.

Hans leads and guides the company with innovative thinking and a robust flare. His ability to master the German language fluently, affords ORBIS the ability to provide European investors the comfort to communicate in their native language. With over 35 years of Investment Property Management Service, ORBIS has the knowledge and experience to provide quality rental solutions to enhance the investment value. Hans has quickly earned a reputation for recognizing value, and operating with integrity.

The company's results-oriented and pragmatic approach to ensure Tenants are satisfied is a core element to their daily operations. As innovative thinkers, ORBIS continues to provide all clients with personal assistance, a professional atmosphere and superior solutions.
